This paragraph, from a case study of the LA case, provides a telling example of the extent to which intermediaries have been involved in these efforts: The Green Careers Training Initiative is being designed by the Los Angeles Infrastructure and Sustainable Jobs Collaborative, a public-private partnership of key stakeholders led by the Regional Economic Development Institute (REDI), an intermediary based at Los Angeles Trade-Technical College (LATTC). The collaborative includes SCOPE LA Apollo; the Mayors Office; the LADWP LA Dept of Water and Power ; the Los Angeles Unified School District; California State University Los Angeles (CSULA) College of Engineering, Computer Science, and Technology; the IBEW Local 18-LADWP Joint Training Institute; the Southern California Gas Company; Metropolitan Water District of Southern California; and the 3 Southeast-Crenshaw Worksource (WIA one-stop) Center. As of this writing, these collaborations are successfully training workers and placing them in green jobs....
