Brand New Book ***** Print on Demand *****.This training will focus on providing individuals with effective tools that will enable their ability to effectively hear and discern God's voice. This training is compiled with biblical and applicable principles that will enlighten the believer's understanding of how to recognize, response, and be in relationship with God's voice. This training has been divided into six individual lessons, in which we will take proper time to dissect intentionally with the purpose of applying to our daily lives. In fact, the believers will discover that hearing and discerning the voice of God is not as difficult as it might appear to be. This training will definitely give believers a thirst to learn and grow more in the essence of becoming acquainted with the voice of God. We will also discuss the different types of voices that the believers can hear. We will even discuss some of those spiritual senses that God uses to lead us through. Learning how to contrast and know the difference between the voices you hear and senses you feel will impact the accuracy of you discerning and hearing the voice of God. Who can hear the voice of God? Every believer has the ability to hear the voice of God. There are some key steps to enhancing your ability to hear from God. This training will focus on the different ways to hear God's voice, and how to live your lives dependent upon his voice.
