Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Kingdom of the Child About two years after the publication of the book, The Children s Educational Theatre (1911) numerous letters from teachers and parents came to me and still continue to come in large numbers, asking me to write another book which shall give some suggestions concerning the methods employed in my work of developing in children and adolescents the instinct to characterize or to enact parts in games and plays which lie outside of their restricted environment. Since the inception of The Children s Educational Theatre fifteen years ago, the idea that drama might be used as a potent educational force in connection with school, church and settlement work, has grown by leaps and bounds.
