This item is printed on demand - Print on Demand Neuware - Academic Paper from the year 2014 in the subject Women Studies / Gender Studies, grade: B, , language: English, abstract: Women entrepreneurship has recently received attention by the research community, particularly because the global economic and social impact of female entrepreneurs is beginning to gain prominence. The number of women entrepreneurs particularly in advanced markets and economies has continuously experienced increase. However the development of female entrepreneurship in developing nations is at very low ebb. Regardless of this fact, there exists a very limited literature addressing the challenges and development of female entrepreneurship in these nations. Thus this paper seeks to explore the challenges faced by female entrepreneurs and also to address the gender issues in the developing nations with particular emphasis on Africa. 16 pp. Englisch.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
