## ALIVE: BOOK ONE OF THE GENERATIONS TRILOGY

Random House USA Inc, United States, 2016. Paperback. Book Condition: New. 235 x 140 mm. Language: English . Brand New Book. For fans of The Hunger Games, Divergent, and Red Rising comes a gripping sci-fi adventure in which a group of teenagers wake up in a mysterious corridor with no knowledge of who they are or how they got trapped. Their only hope lies with an indomitable young woman who must lead them not only to answers but to survival. I open my eyes to darkness. Total darkness. I hear my own breathing, but nothing else. I lift my head . . . it thumps against something solid and unmoving. There is a board right in front of my face. No, not a board . . . a lid. A teenage girl awakens to find herself trapped in a coffin. She has no idea who she is, where she is, or how she got there. Fighting her way free brings little relief she discovers only a room lined with caskets and a handful of equally mystified survivors. Beyond their room lies a corridor filled with bones and dust, but no people . . . and no answers. She knows only one thing about herself her name, M. Savage, which was engraved on the foot of her coffin yet she finds herself in charge. She is not the biggest among them, or the boldest, but for some reason the others trust her. Now, if they re to have any chance, she must get them to trust one another. Whatever the truth is, she is determined to find it and confront it. If she has to lead, she will make sure they survive. Maybe there s a way out, a rational explanation, and a fighting chance against the dangers to come. Or...
