Random House. 1 Paperback(s), 2007. soft. Book Condition: New. Baltimore 1849: Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and Poe's own family readily accept the report that he was a second-rate writer who met a disgraceful end as a drunkard. The exception is a young lawyer named Quentin Clark, an admirer of the writer, who puts his own reputation at risk in a quest to find the truth behind Poe's mysterious end. In this "meticulously researched and detailed discussion of the events surrounding Poe's death" (Washington Post Book World), the author of The Dante Club opens anew this persistent literary enigma, with characters that easily could have been Poe's inspirations."Thick with intrigue and thicker still with carefully researched details . [the author] doesn't just disinter Poe's story; he disinters the language of Poe's time."NYTBR 401.
