Sage Publications, New Delhi, India, 2009. Paperback. Book Condition: New. First Edition. India Macroeconomics Annual 2008, like the annuals for the earlier two years, provides a macroeconomic update on the state of the countrys economy and discusses issues that were pertinent during the course of the year. It analyses macroeconomic events using macroeconomic and statistical tools. The first section of the annual surveys stock market development and private capital accumulation in the country. The second section contains research papers on a wide range of topics such as labour, fiscal issues, banking and finance, econometrics, computations and mathematical methods, foreign direct investment, income redistribution policy, growing savings rate, skill acquisition with regard to India and the role of finance in business cycles. This work will hold great value for people involved in the study of Macroeconomics, International Trade, Labour Economics, Public Economics and Econometrics. Printed Pages: 176.
