## ERASE UN ELEFANTE

Arbordale Publishing, United States, 2016. Paperback. Book Condition: New. Shennen Bersani (illustrator). 249 x 211 mm. Language: Spanish . Brand New Book. Sharks and dolphins both have torpedo-shaped bodies with fins on their backs. They slice through the water to grab their prey with sharp teeth. But despite their similarities, sharks and dolphins belong to different animal classes: one is a fish and gets oxygen from the water and the other is a mammal and gets oxygen from the air. Marine educator Kevin Kurtz guides early readers to compare and contrast these ocean predators through stunning photographs and simple, nonfiction text.
