Born to privilege, with pre-selected genetic advantages and the best nanotech augmentation his father's fabulous money can buy, Daryn spurned the lucrative family Media Network to seek his own path, a crafty raven among soaring eagles. After serving with distinction as a space pilot in the military, he enjoys success as a media consultant. But when he finds himself the target of sophisticated murder attempts, his world is turned upside down. It seems unlikely his success outside the family business could have inspired such expensive assassination attempts, and his father and brother and sister would be more obvious targets within the family.
