Summary: "A fascinating fusion of astrological and shamanic insight on the nature of our being." Judy Hall, author of the international best-selling titles *The Astrology Bible*, *The Crystal Zodiac*, *The Crystal Bible*, *Patterns of the Past* and *Karmic Connections* "For anyone wishing to explore more deeply the effect of animals in our life, *Shamanic Astrology* is a wonderful guide. Combining earth astrology, Native American teachings, and practical guidance into the subtle connections between animals, humans, and Nature, this book will lead you to a deeper understanding of the natural rhythms of life and the wonders we can achieve when we tap into them." Ted Andrews, author of the international best-selling titles *Animal-Speak*, *Animal-Wise*, and *Nature-Speak* "Shamanic astrology is a subject rarely discussed, and often denigrated; those for whom astrology involves both mysticism and science often reject it. What she says, whether or not one accepts it, is at once informative and entertaining. Pick it up for enjoyment you won't put it down without having learned something unusual, fascinating, and useful." Derek and Julia Parker, world-renowned astrologers and authors of the international best-selling titles *Parker's Astrology*, *The Compleat Astrologer*, *The Complete Book of Dreams*, *Love Signs* and *The Sun and Moon Signs Library* "Detailed and insightful, Lucy Harmer's book is a fascinating fusion of astrology and the wisdom of nature that can lead you to a deeper communion with yourself, the earth, and all life." Brandt Morgan, author of *Vision Walk* "Shamanic Astrology is a unique, thorough, and systematic explanation of the relationship between the various elements of shamanism and how these influence our personalities and our choices. Lucy Harmer has done...
