Because of his innate nerdiness, Ben is not surprised when he is recruited for a magnet school with a focus on science but he's entirely shocked to discover that the school is actually a front for a junior C.I.A. academy. Could the C.I.A. really want him? Actually, no. There's been a case of mistaken identity but that doesn't stop Ben from trying to morph into a supercool undercover agent, the kind that always gets the girl. And through a series of hilarious misadventures, Ben realizes he might actually be a halfway decent spy if he can survive all the attempts being made on his life!.
