*It is one of the most popular ebook. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Evolved Publishing and international bestselling romance author Amelia James present a contemporary romantic comedy, for adults only. Kurt Langston spent one night of hot, decadent sex with the love of his life. But she chose someone else. He's sworn off relationships for good, preferring the company of online friends he's never met, his only connections made through the internet. So when Destiny falls into his arms-literally-he lets her go. Love has no place in his life plan. Destiny D'Argo has no plans. No goal, no future aspirations. Just wing it. Her graphic design business pays the bills-barely-and her part-time waitress job fulfills her minimal need for personal interaction. She has no use for schedules or commitments, especially to a guy who happened to make a lucky catch. So why can't she stop thinking about Kurt? Their paths intersect again and again, and they can't keep their hands off each other. Neither one of them wants this, but fate doesn't seem to care. Can a free-spirited artist make a real connection with a structured computer genius? Or are they doomed from the start?.
