Delacorte Press, United States, 2012. Hardback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. For fans of Matched, The Hunger Games, X-Men, and Blade Runner comes a tale of a magical city divided, a political rebellion ignited, and a love that was meant to last forever. Book One of the Mystic City Novels. Aria Rose, youngest scion of one of Mystic City s two ruling rival families, finds herself betrothed to Thomas Foster, the son of her parents sworn enemies. The union of the two will end the generations-long political feud--and unite all those living in the Aeries, the privileged upper reaches of the city, against the banished mystics who dwell below in the Depths. But Aria doesn t remember falling in love with Thomas; in fact, she wakes one day with huge gaps in her memory. And she can t conceive why her parents would have agreed to unite with the Fosters in the first place. Only when Aria meets Hunter, a gorgeous rebel mystic from the Depths, does she start to have glimmers of recollection--and to understand that he holds the key to unlocking her past. The choices she makes can save or doom the city--including herself.
