Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Stigma: Notes on the Management of Spoiled Identity, Erving Goffman, The dwarf, the disfigured, the blind man, the homosexual, the ex-mental patient and the member of a racial or religious minority all share one characteristic: they are all socially "abnormal", and therefore in danger of being considered less than human. Whether ordinary people react by rejection, by over-hearty acceptance or by plain embarrassment, their main concern is with such an individual's deviance, not with the whole of his personality. "Stigma" is a study of situations where normal and abnormal meet, and of the ways in which a stigmatized person can develop a more positive social and personal identity.
