LIVING INTO LEADERSHIP: A JOURNEY IN ETHICS (HARDBACK)

Stanford University Press, United States, 2007. Hardback. Book Condition: New. Anniversary.. 229 x 157 mm. Language: English . Brand New Book. Over the past few years, the business world has been wracked by corporate scandals. Buzz McCoy, former partner at Morgan Stanley, shows that ethical business leadership is possible and, moreover, desirable. The central question this book considers is how to pursue an engaged business career while living a balanced life and continuing to grow as an integrated person. McCoy acts as a mentor for readers, providing personal and professional guidance on the development of a personal business plan for life. The book presents the case for creating a moral compass that allows one to make decisions under uncertainty, lead a life of integrity, establish the practice of ethics both personally and in society, and know when to embrace change and when to hold one's ground. It includes an abbreviated version of the author's acclaimed work, the seminal Harvard Business Review article, *The Parable of the...*
