This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

WW Norton Co, United States, 1999. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book. In *The Lost Land*, Eavan Boland is intensely engaged with the ancient bardic lineage of her homeland, giving her poems an ineluctable moral gravity. Her poems offer a curative gift of merciful vision to a country blinded by its own blood and pain, as her narrators wait more or less patiently in their difficult knowledge for the healing of their country's wounds (San Francisco Examiner and Chronicle).
