## Soa Governance in Action: Rest and Ws- Architectures

By Jos Dirksen

Manning Publications. Paperback. Book Condition: New.

Paperback. 456 pages. Dimensions: 9.2in. x 7.3in. x

0.8in. Summary SOA Governance in Action is a hands-on guide for developers and technology leads who need to develop and implement policies for SOA projects. This book introduces the fundamentals of good governance, the best practices for implementing them, and how to support governance using various open source tools. You'll follow an extensive case study that addresses the areas of service design, security, testing, and performance. About the Technology Governance is a serious word for a simple idea-defining processes, roles, and expectations for a software project. It's especially important in SOA where you have multiple stakeholders, competing requirements, and complex integration tasks. Good SOA governance blends established best practices, strong management and monitoring tools, and the flexibility to embrace new technologies and patterns. About the Book SOA Governance in Action shows developers how to apply governance concepts and implementation practices to achieve success in SOA projects. You'll learn practical techniques like building a metadata repository using WSO2 Registry or a custom monitoring dashboard using Bamos BAM. You'll also explore other supporting tools, such as using OpenAM, to implement security-related policies. Along the way, you'll explore the nuances...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
