Special Interest Model Books. Paperback. Book Condition: new. BRAND NEW, Adhesives and Sealants, David Lammas, In recent years there has been a great increase in the variety, sophistication and effectiveness of adhesives, sealants and threadlocking types. This book is intended to provide practical help and guidance in deciding what adhesive out of the ever-expanding modern range should be used for particular tasks. The book explains in simple terms the features of adhesive classification together with joint design data and assembly techniques for a wide variety of materials. Aimed mainly at the model engineer, but also at the home mechanic and woodworker, it covers pattern, base and case making from wood, applications in tool and equipment, as well as individual requirements including structural joints and sealing against water, steam or oil. Illustrated throughout, Adhesives and Sealants will be of interest and of value to all workshop owners and model engineers.
