Includes A Note on the Sources; and Index. ~Book is clean, tight. Dust jacket is crisp, bright, not price-clipped."Great stories have been told in recent years about the exploration of the rooftops of the world (South and North Poles.) In this book, we shall recount tales of the Equator . . . some of the most exciting, adventurous, surprising, and paradoxical tales from the Line. Along this line in the sand and the water, across the mountains and through the great lakes and rivers, went some of the great explorers, dreamers, con artists, and lunatics of history. . . The stories reach back to the earliest times, tales of giant birds seizing elephants to feed to their young, boiling seas under a noonday sun, the riches of Punt and Ophir, and strange narratives of huge benevolent serpents and floating dragon-islands. These legends of the Equator...
