Do you enjoy dystopian, post apocalyptic stories - like Divergent, Hunger Games or Wool? Do you like science fiction short stories that are action packed and easy to consume in one sitting? If you answered Yes to either of those, then you are almost guaranteed to fall in love with the Future s Fight story and its characters. Mankind s abuse of the planet reached a critical point. The earth could not sustain the number of humans that lived on its surface. Decades of famine, disease and war brought the human species to the brink of extinction. Through this we get a much more complex social struggle, highlighted by the relationship between sisters Sophie and Elizabeth. Future s Fight - Episode 1: The Angels of Abaddon puts you immediately into the middle of the action as lower level resistance activities to fight for equality and better living conditions are escalating. For the first time in their young adult lives, both Elizabeth and Sophie start to question each other s loyalty. Episode 1 will capture your attention from the moment...
