Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: . THE SCIENTIFIC WORK OF DR. JOHN SHAW BILLINGS BY FIBLDING H. GARRISON, M. D. John Shaw Blll1ngs, perhaps the most versatile American physician of his time, achieved excellence and gained distinction in no less than six different fields--in military and public hygiene, in hospital construction and sanitary engineering, in vital and medical statistics, in medical bibliography and history, in the advancement of medical education and the condition of medicine in the United States, and as a civil administrator of unique abilities. Shortly after receiving his medical degree from the Medical College of Ohio (1860), Dr. Billings prepared to enter upon surgical practice in Cincinnati, where his prospects were excellent, but the outbreak of the Civil War turned his mind to the larger service of his country, and, in September, 1861, he passed his examination before the examining board for admission to the Medical...
