Summary: Starred Review: Library Journal, Kirkus Book Reviews "A writer of the highest caliberNDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's livesClearsightedness-combined with her subtle narrative sleights of hand and her willingness to broach essential subjects-gives her fiction a rare integrity that shines through the sinuous proseThrough the distorting lenses of madness and deprivation, NDiaye manages nonetheless to convey a redemptive realism about how the world works, and what makes people tickA masterpiece of narrative ingenuity, Three Strong Women is the poised creation of a novelist unafraid to explore the extremes of human suffering." -Fernanda Eberstadt, The New York Times Book Review (Cover review) "A tenuously linked tripartite novel that is more than the sum of its parts is a hard act to pull off. "CompellingNDiaye dissects her characters with impressive forensic detail, the subtlest...
