

## The Black Leather Jacket

By Mick Farren

Plexus Publishing Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 238 x 190 mm. Language: English . Brand New Book. Ever since a leather-jacketed Marlon Brando slouched across the screen in *The Wild One*, the jacket's mixture of animal magnetism, brooding menace, and sexual provocation has made it a must-have for hipsters, rebels, and fashionistas. This entertaining book chronicles the leather jacket from its roots among World War I flying aces to its present incarnation in high fashion. Along the way, it shows how every generation and subculture -- including the Hell's Angels, beats, punks, movie stars, counterculturists, and fetishists -- has made the leather jacket its own.
