## Widow s Dozen

By Marek Waldorf

Turtle Point Press, United States, 2014. Paperback. Book Condition: New. 180 x 114 mm. Language: English . Brand New Book. Marek Waldorf s deeply original stories inhabit the reader like demons who won t be exorcized. He implants alternative realities inside ordinary ones and takes them for granted--as do his characters. If the purpose of art is to make the world strange again, this is brilliant art. And the writing is beautiful, the shapes of the sentences, the quick back and forth movements of attention, the pitch-perfect diction, the inventiveness. Readers will be challenged--and rewarded. -- John VernonSubtle lives--nostalgia lit, lovingly textured--bridge currents in catastrophe from impossible to remote to inevitable. A paeon to Cheever s lost world before the storm: the illusion of a country divided evenly between the lights of catastrophe and repose.
