In the course of the year he: Moved from the Midwest to the West Coast without knowing a soul; Faced uncertainty about his professional future; Struggled with challenges ranging from body image and emotional eating, to recurring medical issues; and Grew increasingly aware that Americas fixation on mindless conformity was devaluing its greatest asset individual self acceptance. This work is a collection of some of the more thought-provoking, inspiring and humorous posts he wrote during that year. Each entry, written in Pooles unique voice and based on his belief that every person has the power to change their lives, and the lives of others, is practical and inspirational.
