The Secretary of State Undoubtedly the desire for education, and other favorable indications among the Indians, are, in a considerable degree, owing to the clergy who minister among them, and exercise their influence for the repression of intemperance and vice and the promotion of industry and good order. But moral influence alone would have proved unavailing. The government of their country has felt a just sense of the responsibility devolved upon it; has seen the necessity of treating the Indians temporarily as wards or minors; has assumed friendly and pains taking guardianship over them, and seems practically to have adopted the principle that whatever may have been the original stipulation in purchasing their lands, the proper measure of compensation is to place and maintain them in such a condition that they may, if possible, as the ultimate result of their own exertions, enjoy advantages at least equal to those of their former state. Among the various Indian tribes of the Dominion are to be found some yet representing the original barbarism, while others are scarcely distinguishable from the European race, either in person or habits. In other characteristics they also present marked distinctions. Thus, in complying with my instructions to report as to their condition, I have found it necessary to describe, as briefly as possible, the chief nations or communities among them, as well as to state the laws and influences to which all of them are subjected. The Six Nations. Of all the tribes or hands of Indians in Canada, the confederation known as...
