

## Nongraded Primary: Making Schools Fit Children

---

By Rodney Davis

ROWMAN LITTLEFIELD, United States, 1992. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. We try school clothes on our children to see if they fit. Have you ever thought about trying on a school to see if it fits the learning needs of a child? In this booklet you ll see the reason why the nongraded primary strategy is called an innovative way to implement developmentally appropriate primary grades curricula. Topics include: characteristics of young learners, beliefs about the nongraded primary, and how the nongraded primary can improve the teaching/learning environment.

### Reviews

*I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
