But Rachel also leads a secret life far away from the hot spotlights as the terror of criminals, saboteurs, and spies.because with the donning of a mask and risking of her life, Rachel is The Dark Leopard, Hollywood's glamorous detective star. Rachel, her father, Langston Black, and Mark Stone, a journalist and some-time partner with the lovely masked heroine, are in Monaco to make a movie about Nancy Wake, the World War II's most celebrated British Special Operations agent. It's the chance of a lifetime for Rachel and she'll do anything to make the picture successful. However, when things start going wrong on the set, she begins to wonder whether it's a rival movie company or perhaps something more sinister-something that may call for a certain feline super-hero. Then, a shadow from the past makes Rachel remember the reason she became the Dark Leopard in the first place. Paying homage to classic Heroines of the Golden Age, Pro Se Productions proudly presents the debut adventures of The Dark Leopard, created by author Richard C. White.
