Society has been programmed to view the rich, arrogant and composed as important and powerful. The loving, kind and considerate are considered weak. The joyful are considered silly. This is backwards. There is strength in love. The financially wealthy and heartless are projecting an external power that is momentary. But, without the power to hold on to the material assets and properly sew them they will be poorly invested and lost. Properly investing them in the nurturing of God's people and support of His Church allows them to multiply and have an everlasting impact for generations to come. God wants me to tell you that you have value. You are of worth the investment he has made in you. He made you, He owns you and He loves you. You are his precious resource. The book will define what resources and how they lead to valuable assets, and spiritual wealth. It will change your way of thinking about...
